blue and pink

I am loving this fresh blue and pink combo from Lotus Blue design. I hope the little girl that lives in this room knows just how lucky she is.

I love that. The mix of patterns is great, not childish at all, but still adorable.

What a unexpected mix of colors for a girls room- very chic and grown up feeling, I like it!

Hello, my name is Caitlin.

I'm off on an adventure into beautiful interiors, and I just might pick up a few souvenirs along the way. Join me for a tour.
